(3) The firms having poor supply performance in SWR i.e. supply of less than 50 percent of the ordered quantity in last 3 years will not be considered for placement of orders.

(4) In case tenderer participates as an authorized agent, then the performance as required above shall be that of Principal authorizing the agent. It may so happen that the agent has credentials of past supply for a different Principal but this will not be considered as performance for placing order in case of change of Principal.

(5) The onus of submission of requisite documents in support of supply Receipt Notes/Proof of acceptance of material by consignee/CRAC/Completion report from the consignee is on the bidders.

(6) In case the bidders do not submit the requisite documents as detailed above along with their offer, the tender will be decided on the basis of their past supply performance of SWR [if any].

4.0. Bidder(s) should submit the compliance/acceptance of technical specification of the item attached at Buyer specification document along with the bid.

5.0 SPLITTING CRITERIA: APPLICABLE Railway may decide in advance to have more than one source of supply on account of delivery requirement in tender, past performance and capability of bidders, quantity under procurement and vital/safety nature of items. Following provisions shall be applicable in all such cases of pre-decided split ordering.

A. The purchaser reserves the right to distribute the procurable quantity on one or more of the eligible tenderers. Zone of consideration of such eligible tenderers will be the right of the Purchaser. The zone of consideration will be a dynamic mix of inter-se position of firms, supply performance of the firms, quantity being procured, critically of and lead time of supply of the item, number of established suppliers, their capacity etc.

B. Whenever such splitting of the procurable quantity is made, the quantity distribution will depend (in an inverse manner) upon the differential of rates quoted by the tenderers (other aspects i.e. adequate capacity-cum-capability, satisfactory past performance of the tenderers, outstanding or

ders load for the Railway making the procurement, quoted delivery schedule vis-à-vis the delivery schedule incorporated in the tender enquiry etc., being same/similar) in the manner detailed in the table below:

Sl. No.	Price difference between L1 & L2	Quantity distribution ratio between L1 & L2
1	Up to 3%	60:40
2	More than 3% and up to 5%	65:35
3	More than 5%	At least 65% on the L1 tenderer. For quantity to be ordered on the L2 tenderer, TC/TAA shall decide

In the phrase differential rates quoted by the tenderer, the quoted rate would mean:

- (i) When no price negotiation has been called for, the original rates as obtained at the time of tender opening.
- (ii) When price negotiation has been called for, the reference L1 rate for assessment of rate will be the original rate of L1 firm (suitable for bulk quantity) – say firm “A” – as obtained at the time of tender opening.

In the cases of inadequate capacity-cum-capability, dissatisfactory past performance, large quantity of outstanding orders (liquidation of which will take very long time) etc., the Purchaser shall have the right to distribute the procurable quantity amongst tenderers with due consideration to these constraints and in such a manner that would ensure timely supply of material in requisite quantity to meet the needs of operation, maintenance, safety etc., of the Railways, regardless of inter-se ranking of the tenderers and in a fair and transparent manner with due conformity to the Principles of Natural Justice and Equity.

6.0 SAMPLE CLAUSE: After award of contract – Successful Bidder shall have to get advance sample approved from buyer for feel and finish only before bulk manufacturing / starting bulk supplies. Successful Bidder shall submit 5 samples to AMM/DSD/SBC/BANGALORE for Buyer's approval, within 7 days of award of contract. Buyer shall, as per contract specifications framework, either approve the advance sample or will provide complete list of modification required in the sample within 5 days of receipt of advance sample. Seller shall be required to ensure supply as per approved sample with modifications as communicated by Buyer. If there is delay from buyer side in approval of advance sample – the delivery period shall be re-fixed without LD for the period of delay in sample approval. In case, the sample is found to have major deviations / not conforming to the Contract specifications, the buyer at its discretion may call for fresh samples for approval before allowing bulk supplies or may terminate the contract after notifying the deviations to the seller.

Unless otherwise provided in the contract, all samples required for test shall be supplied by the contractor free of cost. Where under the contract, the contractor is required to submit an advance sample, any expenses incurred by the contractor on or in connection with the production of stores in bulk, before the sample has been approved unconditionally shall be borne by the Seller and he shall not claim any compensation in the event of such sample being found unacceptable by the Buyer / Consignee.

7.0 Inspection clause: Inspection by RITES at manufacturers premises. Irrespective of inspection agency, it is mandated that testing of material shall be conducted at NABL accredited lab and not in the premises of manufacturers.

Warranty/Guarantee shall be as per specification or IRS Conditions of Contract, whichever is higher.

EMD and SD conditions applicable as per GeM GTC.

Forms of EMD & SD : Bidders can submit the EMD in the form of Bankers Cheque/DD/Bank Guarantee in favor of PFA/SWR/HUBBALLI payable at HUBLI or online mode as per GeM GTC. Bidder has to upload scanned copy/proof of the EMD along with bid and has to ensure delivery of

hardcopy to the Buyer within 5 days of Bid end date/Bid opening date.

Security Deposit/Performance Security must be submitted by Seller to the Buyer within 15 days of award of contract on GeM as per GeM GTC.

All bidders must comply the Code of Integrity Declaration : I/We (The bidders) have carefully gone through the IRS conditions of contract (included and uploaded along with the bid document) particularly Para 2500 pertaining to "Code of Integrity, Misdemeanor and Penalties". I/We hereby certify that no other concerns or affiliates (such as having common partner/director/ promoter/ owner/ holding company / management control etc.) have participated in this tender which give rise to a conflict of interest or fall under anti-competitive practices. I/We are aware that we shall be liable for all consequences of violation of Code of Integrity, if detected at any stage.
